WINE LIST 2021

## Welcome to Santini Bar and Grill..

Our wine list pays homage to the classical and contemporary Australian wine industry with a European and Mediterranean accent. We love the wines of the 'Med' for their freshness, vibrancy and mouth-watering flavours which suits drinkers of all tastes and shares a delicious narrative with the food of Santini Bar and Grill. We also wanted to create a tribute to local Western Australian winemakers both past and present and the remarkable wines that are our future and their legacy. So we work with the new and emerging talent from our local regions while also continually sourcing rare and aged bottles of iconic Western Australian wine from wineries, winemakers and private cellars from around the country.

The Santini Bar and Grill wine list is curated by QT Hotels and Resorts Group Wine Director Chris Morrison and QT Perth Sommelier Damien Thomine.

\*All wines are organised by grape variety and in increasing order of weight and body

# Rare and Wine and by the Glass – by Coravin

The Coravin wine preservation system uses a hollow needle and an inert gas to protect a wine from oxidization without having to remove the cork. This ground breaking technology extends the wine's life long after the first glass has been poured. Using the Coravin system we are able to offer some of Western Australia's and the world's greatest wines to you by the glass.

### The Mediterranean

Just saying 'the Med' out loud conjures up images of azure blue water, sun on your face and a cold drink in your hand. A region famous for its vibrant and refreshing wines with mouth-watering flavours

### Italy

Eating and drinking in Italy is full contact sport. Not surprisingly, food and wine are tightly woven into the identity of its 20 major or 'administrative' wine regions. The historic relationship between food and wine here means the style and structure of Italian wine leans into food more, delicious on their own but still yearning for food to release the wine's full potential.
